

Stop Overpaying State & Local Tax. Start Recovering What's Yours.

We help multi-state businesses uncover overpayments, understand their exemptions, and navigate sales & use tax complexity — **with no fees unless we deliver savings.**

✓ \$100M+ in Tax Savings

✓ 100+ Years Experience

✓ Expertise in 45 States

The Problem Most Tax Teams Don't Have Time to Solve

Sales and use tax rules vary by state and shift constantly across jurisdictions. Overpayments go undetected, exemptions get missed, and cash flow is negatively impacted because most teams simply don't have the bandwidth to keep up.

Senior-Led Expertise. Targeted Results.

We review your tax history to find refund opportunities and educate you on exemptions so you can benefit from savings after we've done our work. Every engagement is led by a senior professional from start to finish, allowing us to go deeper, work more carefully, and deliver results you can stand behind.

A Simple Process for You. We Do All the Work.

Our clients are often surprised by how little is asked of them. Once you're onboard, we take it from there, collecting your data, analyzing for refunds, and managing claims through to resolution. **Here's how it works:**

You

We

Sign the agreement

Contact you to schedule a review with our SALT analyst

Share access to your invoices and data

Enter invoices, search for refunds, and prepare a findings report

Join a meeting to review findings and approve next steps

Send refund requests to vendors and/or the state and follow up until claims are resolved

Receive your refunds

Bill you — **only if we deliver savings**
